Dear Parents and Guardians,

On behalf of the Illinois State Board of Education, we are pleased to be able to share a detailed view of your child's school in the form of the Illinois School Report Card. This online resource offers a variety of information about each school in our district and across the state.

The Illinois School Report Card contains four sections: Academic Progress, School Environment, Student Characteristics, and Highlights of the academic courses. In addition, the website has the Report Card Snapshot which gives fast facts about the schools in our district.

The district and school report cards are available at <http://www.unit10.com>. Please select **District News**, then **Report Cards**. You will have a choice of which school report card you wish to view as well as being able to view past report cards in the **Archive**. You will need a free PDF viewer to see the report card.
